

The Great Southern Hackathon - Responsible Use of WiFi Agreement

We are excited to have you participate in this event and make the most out of your experience. In order to ensure a positive and responsible use of the open WiFi platform provided during the event, we kindly ask all participants to adhere to the following guidelines:

1. **Respect the Network:** The WiFi provided during the Hackathon is generously provided by the venue. Please refrain from engaging in activities that may overload or abuse the network, such as running large file downloads or excessive streaming.
2. **Legal and Ethical Use:** Do not use the WiFi network for any illegal or unethical activities, including but not limited to hacking, unauthorised access to systems, distribution of malware, or any other malicious activities. Violation of this rule will result in immediate disqualification and may also lead to legal consequences.
3. **Protect Your Devices:** It is your responsibility to ensure that your devices are adequately protected with up-to-date antivirus software and security measures. The event organisers will not be held responsible for any security breaches or damages to your devices.
4. **Data Privacy and Security:** Exercise caution when sharing sensitive information over the WiFi network. Avoid transmitting personal, financial, or confidential data.
5. **No Network Interference:** Participants should not attempt to interfere with or disrupt the WiFi network, other participants' connections, or the event infrastructure in any way. Violation of this rule will result in immediate disqualification.
7. **Respect the Staff and Volunteers:** The Hackathon is taking place at a venue that has its own IT policies and staff. Respect staff and GoSH volunteers and follow all instructions provided by the venue staff.
8. **Reporting Security Issues:** If you discover any security vulnerabilities or network-related concerns, please promptly report them to the event volunteers or staff.

The Great Southern Hackathon - Responsible Use of WiFi Agreement

9. ****No Illegal Software:**** Do not use or distribute any pirated or illegally obtained software or copyrighted materials over the event WiFi.

10. ****Use of VPNs and Proxies:**** The use of Virtual Private Networks (VPNs) and proxies is allowed, but they must be used responsibly and in compliance with all applicable laws and regulations stipulated in this agreement.

11. ****Responsible Online Behavior:**** Engage in polite and respectful online communication with other participants and the GoSH social media platforms. Any form of harassment, offensive language, or disruptive behavior will result in immediate disqualification.

12. ****No Unauthorized Network Routers:**** Participants are not allowed to set up their own WiFi routers, access points, or other network devices. Violation of this rule will result in immediate disqualification.

By participating in the Great Southern Hackathon, you agree to abide by these guidelines and ensure responsible and ethical behavior while enjoying the benefits of the provided network. The event organisers reserve the right to take appropriate actions if any person or team is in violation of the agreement..
